

First Circular

36th International Colloquium on Group Theoretical Methods in Physics

Group36

Valladolid, Spain – July 13-17, 2026

Dear Colleagues,

It is our pleasure to announce that the **36th International Colloquium on Group Theoretical Methods in Physics (Group36)** will be held in **Valladolid, Spain, in July 13-17, 2026**.

This series of conferences, with a long-standing tradition, brings together researchers from mathematics, physics, and related disciplines to discuss the latest developments and applications of group theoretical methods.

As part of the colloquium, **the 2026 Weyl Prize and the 2026 Weyl-Wigner Award** will be presented to their recipients during a special Award Ceremony.

Topics

The scientific program will include plenary lectures, invited talks, parallel sessions, and poster presentations in areas such as:

- Group theory in physics.
- Mathematical physics and related fields.
- Quantum mechanics, quantum field theory, and beyond.
- Quantum groups.
- Quantum optics, quantum computing, quantum information.
- Representation theory and applications.
- Supersymmetry.
- Symmetries and conservation laws in physics.

Important Dates

- *Call for Abstracts:* January 15, 2026
- *Deadline for Abstract Submission:* May 31, 2026
- *Early Registration Deadline:* April 30, 2026
- *Registration Deadline:* May 31, 2026
- *Conference Dates:* July 13-17, 2026

Conference Fees

- **350 EUR** *if paid before April 30, 2026*
- **400 EUR** *if paid after April 30 or on-site during registration*

Venue

The conference will take place in **Valladolid, Spain**, a historic city located in the heart of Castilla y León, well known for its cultural heritage, gastronomy, and lively atmosphere.

Valladolid is very well connected to Madrid by high-speed train (Renfe, Avlo, Ouigo), with a journey time of about one hour and numerous daily departures. In addition, the ALSA bus line connects Madrid-Barajas Airport directly with Valladolid, with travel times ranging from approximately 2 hours and 15 minutes on the express service to around 3 hours and 45 minutes on routes with additional stops.

Accommodation

Special rates have been negotiated with several hotels in Valladolid for conference participants. Details will be available on the conference website.

Further Information

The official conference website (<http://eventos.uva.es/go/group36>) will be available in the **first days of December 2025**, with full details about registration, accommodation, and social events. Basic information will also be available on the web of the Standing Committee of the ICGTMP ().

Additional details will be provided in the **Second Circular**.

We warmly invite you to attend Group36, contribute to its scientific program, and enjoy the unique environment of Valladolid.

With best regards,

The Local Organizing Committee of Group36:

Jesús Clemente-Gallardo

José Manuel Izquierdo

María Antonia Lledó

José María Muñoz

José Luis Nieto

Mariano A del Olmo (Chairman)
